Esteemd colleagues and partners,

We would like to inform You of our up coming plans for renovation of our hotel. Right after this season ends, the process of renovation will start. By the 01.06. 2017. hotel will be completely renovated. From 01.01. 2017. we will be operating with new prices, which are in attachment. After the renovation process is completed, hotel will be open all year round.

1. ACCOMMODATION:

When the renovation process is completed, hotel Medena will have only two room categories, standard and superior. Superior rooms on 5. i 6. Floor of B building, will stay the same. All other rooms will be upgraded to the level of standard rooms. Standard rooms are differed to standard rooms with sea view and standard rooms with park view, while superior rooms are divided to the ones with classical balcony (on 5. floor) and the one with french balcony (6.floor).

- **STANDARD ROOMS:**

Completely renovated with new furniture. Part of the rooms will have sea view, and part park view. All the rooms have balcony. Size of the rooms in square meters are 15.36 m² single room, 18.45 m² double room and 21.60 m² triple room. There are 460 standard rooms in total, 88 single, 224 double and 148 triple.

14 standard rooms on the ground floor of B building is adapted for elderly and disabled persons. These rooms are the closest to the hotel entrance, reception and the restaurant. Meals for this persons will be served in the Blue room (behind Aperitif bar).

Standard rooms equipment:

- Bathtub bathroom
